Additional programs

Web Publish and search your Polydoc databases on Internet / Intranet. Prices:

| | | |
|-------------------|------------|----------------------------------|
| Personal Edition: | 2.995 SEK | - Local maintenance and tests |
| Standard Edition: | 28.500 SEK | - Publishing of own databases |
| Webhotel Edition: | 75.000 SEK | - Publishing of others databases |

All editions have the same functionality, but are licensed for different purposes. A maintenance agreement must be signed for the Webhotel Edition (first year's maintenance is free of charge).

Loan Handle loan and returning. Prices:

| | | |
|-------------------------|------------|----------|
| Professional Edition: | 12.900 SEK | |
| Barcode user interface: | 3.200 SEK | (add-on) |

Unlimited number of users may use the application on one single server.

Upgrade policy

When upgrading to more modules or users, you only pay for the differences in licence fee between your new licence and your earlier licence according to current price list, provided the earlier licence includes a maintenance agreement.

Customers not having a maintenance agreement may contact Redorom InfoSystems or one of our resellers for an upgrade offer.

Discounts

Schools, universities etc will get 50% discount if Polydoc is strictly used for educational purposes only.

Polydoc Viewer

Price list

Distribution of your centralised databases to search on stand alone computers.
One licence for each computer is required.

Prices

| | |
|--------------------|-------------------|
| Licence no. 1-10: | 2.100 SEK/licence |
| Licence no. 11-20: | 1.000 SEK/licence |
| Licence no. 21-50: | 400 SEK/licence |
| Licence no. 51- : | free of charge |

Polydoc Viewer and Polydoc may not be run in the same network.

Software

Software media is included with the first two licences. Additional CDs can be ordered for 100 SEK per licence. The licence agreement allows you to make copies of the software up to the number of licences purchased.

Maintenance

Maintenance is an optional service and includes free normal support and free software updates. The annual maintenance fee is 1.600 SEK for one licence or 2.200 SEK regardless the number of licences. Please contact us for complete terms and conditions.

Update policy

Customers not having a maintenance agreement may use the following update prices:

| | One licence | Multiple licences |
|---------------|--------------------|--------------------------|
| After 1 year | 1.700 SEK | 3.400 SEK |
| After 2 years | 2.000 SEK | 3.800 SEK |
| After 3 years | 2.000 SEK | 4.200 SEK |

The years are calculated from the date of purchase or the latest update.

Polydoc
